Look who's QUEEN OF TORONTO now....

December 23, 2020

Or make that *RAT* at *Toronto Housing* – Like We Don't Have Enough *VERMIN*?

Somebody's Idea of a Joke?

Because the moment the virus broke out

the next moment management disappeared –

the Flytrap's working from home

in her bubble-bath – on

the phone to Pig Pen – who's

happy as a pig in it....

naturally...

Mr. Rowland,

My apology for any disruption to your day that my misguided message may have caused you. The communication was not intended for you and reached you by accident. I thought I had removed your address before sending it, evidently not. Please excuse my error.

I can assure you it will not happen again as I, too, know what it's like to receive unsolicited and unwanted emails of a personal nature from someone I don't know.
Again, I want to apologize for intruding on your day, Mr. Rowland. Kindly refrain from intruding on mine.
Thank you,

Bill Lohman

What a *STRANGE*

but *LOFTY*

FRUIT*

you are

"LOHMAN**"**

(*Meaning not your sexuality, but the way you write, at least to me. What Toronto Housing building do you live in, anyway? The Elysee Palace? THAT's Housing?)

What did you tell the "Community Safety" (?!) GOONS, Lofty Lohman? That I threatened to lynch you? Only in effigy, Lofty! And only to mock – among other things, the super-entitled attitude of one who sits on a committee for poor people but doesn't want to hear from them, who expects to rest his cheeks on a public committee, so to speak, without getting criticized for being a chair-warmer – you

***DIRTY* RAT YOU!**

Who in the world ever gave you permission to "ADVOCATE" for me?!
